**Now Available WINGS OF THE
BLACK CROSS SPECIAL NUMBER
THREE, the Bf 109
by Mark Proulx**

Special Number Three is an expanded edition compared to earlier titles in the series. There are 90 captioned photographs spanning 63 pages printed on thick, quality glossy paper. Text provides a glimpse into the evolution of the Bf 109 and the role it played within the Luftwaffe structure. There is also brief discussion on the camouflage and markings of the aircraft.
